Re: Knoll v. Regency Seating, Inc., et al No. 12-0921 (AKH) (KNF)

Dear Judge Hellerstein:

The parties in the above referenced case jointly submit this letter seeking referral to mediation. The parties believe that referral to the Honorable Kevin N. Fox, U.S.M.J., to discuss potential settlement could advance this case.

It is Regency's position that mediation should not prevent the completion of any permitted discovery or otherwise impede the progress of this action. Regency notes that there is no scheduling order or trial date in this action. It is also Knoll's position that mediation should not prevent the completion of any permitted discovery or otherwise impede the progress of this action.

Respectfully submitted,

Michelle Mancino Marsh
